

Ninna nanna

Testo e musica:
Gianfranco Cossu
Bo Shimmin

Din di din
forget the world exists
for a little while
close your eyes and dream
for the both of us

sei il mio sogno

Senti il respiro che c'è
sei qua

You are now in our place
the one that I told you about.
Do you feel the sun on your skin?
Stay here..

'cause no one can make you go away
stay here

Din din din
